# Bible Word Study Worksheet

*a bible study method to help you in your personal study times!*

boldlyrise.com

1	choose your Bible verse	
2	find the definition  (use both a modern dictionary and a Bible dictionary if possible!)	
3	look for passages/verses  choose 2-4 passages/verses and write down some notes, comments, questions, contextual items, things that stand out to you, etc.	

4	<p>relate to the gospel</p> <p>how do I see Jesus in this word/passage? how is salvation shown through this word? how does this word reveal God's character in His plan to redeem the world? how does this word show my need for salvation? (you may not be able to answer all of these questions... and that's okay!)</p>	
5	<p>summarize</p> <p>what have you learned? Use a few bullet points or 2-3 sentences.</p>	
6	<p>apply your Bible word</p> <p>how can I apply this word to my life? what have I learned about this word that is applicable to my life? how does this word in biblical context transform my heart and fix my eyes on Jesus? does this word show a sin area in my life that I struggle with, and if so, what is it?</p>
